Student Resource Sheet: CCC Application Guide

Objective
You will connect your CaliforniaColleges.edu account to the California Community College (CCC) application as part of the process of successfully launching and submitting your application.

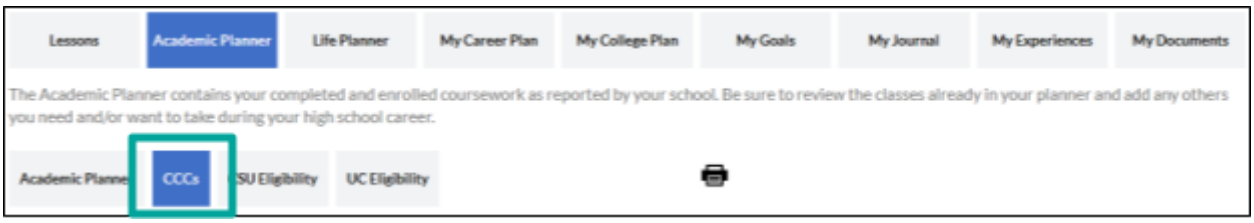

What is CCCApply?
CCCApply is the application you use to apply to all of the California Community Colleges.

What should I do before I launch CCCApply?
1. Sign in to **CaliforniaColleges.edu**.

2. From the top navigation bar, click on **My Plan** and then click on **Academic Planner**.

3. Check to see if you have a **CCCs** tab.

   - Tip: If you have this tab, it means you are in a CaliforniaColleges.edu Partner Account, which provides additional tools to students.

If the CCC Tool does not show for you, skip to:
How do I launch the CCC Application? on Page 2 of this guide.

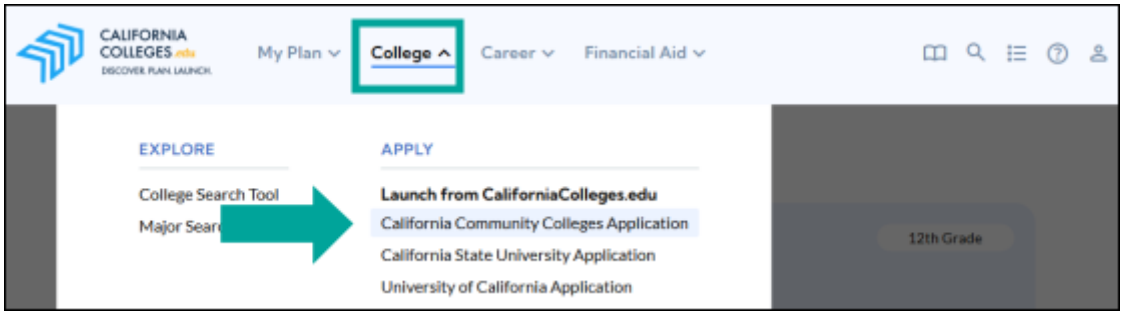

4. Use the CCC tab to find the five closest California Community Colleges to your high school and to learn more about them.

How do I launch CCCApply?

Watch the interactive tutorial [How to Launch your CCCApply Application] or follow these steps:

1. Sign in to **CaliforniaColleges.edu**.
2. Click on **College** at the top of the page.
3. Click on **California Community Colleges Application**.

4. In the pop-up box, type the name of the college you are applying to or select it from the dropdown list. Then click on the **Launch** button.

5. Sign in to your existing CCCApply account, or create a new one
    - Tip: It is recommended that you use a personal email that you check regularly—not your school-issued email address—when you create your CCCApply account.

Your CaliforniaColleges.edu account and CCCApply account are now connected!
