Student Worksheet: Interest Profiler Assessment

Objective: Students will complete the Interest Profiler Career Assessment in order to identify careers that connect to their interests.

Warm-Up

— Respond to the following prompts: How do you enjoy spending your time? What are your interests and hobbies? Make a list and include what you like about each interest/hobby.

Interest Profiler Career Assessment

— Sign in to **CaliforniaColleges.edu**, navigate to **Career** at the top of the page, and click on **Interest Profiler** in order to complete the assessment.

— Once you complete the assessment, click **Show Careers** to check out careers connected to your interests.

— Click on any career that catches your interest to view the **Career Summary** and learn more.

— Favorite (❤) any careers of interest that do not already have a heart; every career you favorite will be saved in **My Career Plan**.

— Select one career of interest that you have favorited and respond to the questions in the chart:

Question	Response
What career did you select? Why did you select this career?	
What are three responsibilities, work activities, or skills that interest you about this career?	
How does this career connect with the results of your Interest Profiler assessment?	
What can you do to learn more about this career?
