Student Worksheet: College Search Tool

Objective: Students will evaluate results from the College Search Tool in order to identify five colleges/institutions that offer a program/major of their choice.

Warm-Up

— Sign in to **CaliforniaColleges.edu**, navigate to **My Career Plan** at the top of the page, and review your **Career List**.

— Select one career to focus on for today's lesson and follow these steps:

1. Click on the title of your **Career** of choice in order to see the **Career Summary**.
2. Scroll to **Education Level** and read the description of each **Program and Major** by hovering over the title.
3. Fill in the chart with your **Career** and **Program/Major** (identify at least three) of choice:

Career	Program/Major
	1. 2. 3.

— Make a list of at least five colleges you have heard of and may be interested in attending.

Colleges
1. 2. 3. 4. 5.

College Search Tool

— Navigate to **College** at the top of the page and click **College Search Tool**.

— **Search by name** for the colleges that you listed in your **Warm-Up**. For each of your five colleges, click on the title of that college and check out the **Degrees & Majors** tab.

— Review the **Degrees & Majors** in order to determine if each college has a degree or major that aligns to your career of interest.

— Earning a high school diploma allows you to pursue an Associate Degree or Bachelor's Degree. You can confirm that the college you have selected offers **Associate Degrees** (AA/AS) or **Bachelor's Degrees** (BA/BS) for the **Program/Major** of your choice by reviewing the **Types of Degrees Offered** columns.

— Favorite (❤) any colleges of interest that do not already have a heart.

— Fill in the chart with the names of five colleges to which you might like to apply and the program/major you may pursue at each school:

College	Program/Major
1.	1.
2.	2.
3.	3.
4.	4.
5.	5.

— Every college you favorite can be found in **My College Plan**; edit your **College List** in **My College Plan** if your interests have changed over time.
