

## What Do I Like?: Interest Profiler: Student Worksheet

**Goal:** You will evaluate their personal interests and explore matching career options in order to identify potential career paths that align with their interests and strengths.

### Part I: Introduction – Bell Work

What do I like to study at school? What do I like to do outside of school?

Now,

- Sign in to **CaliforniaColleges.edu**.
- Hover on **Career** at the top of the page, and then click on **Interest Profiler**.
- Complete the assessment.
- Review your results.

### Part II: Activity

1. Your **Interest Profiler** results will include careers that may interest you. Explore these careers by clicking on the career titles. Review the entire factsheet for each career, paying special attention to related careers and what to study.
2. When you find careers you may like ♥ (favorite) them and they will be saved in the career section of your **My Plan**.
3. You may also conduct a more general career search using the **Career Search Tool**. Navigate to **Career** and then to **Career Search Tool**.
4. Search careers by keyword, Bright Outlook, or Industry. Try a search using each of these filters.
5. Again, when you find careers you may like, ♥ (favorite) them.
6. When you have finished researching careers, review your careers. To do this, select **My Plan** at the top of the page, then **My Career Plan**, and look at your career list.

### Part III: Reflect

- Go to **My Plan** and then **My Journal**. In the **Career Journal** section, find **prompt #10**:  
“*Why is it important to choose a career that aligns to your interests?*”
- Respond to the above prompt. Follow your teacher’s instructions if they assign a different prompt.
