

CALIFORNIA COLLEGES.EDU

The State of California's Official College and Career Planning Platform

Did You Know... 6th – 12th grade students, their parents/guardians, and educators in your district have access to the State of California's official college and career planning tools, for **FREE and all in one place?**

In addition, as one of our Partner Districts, your students and educators get access to special tools on CaliforniaColleges.edu that utilize student transcript data, such as the CSU and UC Eligibility Tools.

The Tools

What can students do on CaliforniaColleges.edu?

- Explore their values, skills, and career interests through various Career Assessments and College, Major, and Career Search Tools
- Track A-G completion and determine their eligibility for admission to the UC and CSU, at a glance
- Launch and track applications to the CCC, CSU, UC, FAFSA, and California Dream Act, all in one place
- Import courses and grades directly into their Cal State Apply and/or UC Application(s)

How to Get Started

Promote **CaliforniaColleges.edu** and its benefits to students and educators

Learn more about the tools on CaliforniaColleges.edu and how to use them by visiting californiacolleges.edu/resourcehub/

Encourage students and educators to register their accounts and start exploring **CaliforniaColleges.edu!**

About Our Partners

As part of the state's network of student-serving systems, the California Department of Education (CDE), California Cradle-to-Career Data System (C2C), California Community Colleges (CCC), California State University (CSU), University of California (UC), and California Student Aid Commission (CSAC) are committed to ensuring that students gain awareness and access to tools and resources they need to pursue higher education.
